

Health & Safety Operations

Entering & Exiting:

- *Pick-Up & Drop-Off will take place outside of the building to keep traffic low inside of the studio. Parents/guests are strongly discouraged from entering the building unless there is an extenuating circumstance.
- *We will use separate entrances for the upstairs and downstairs classes to avoid cross contamination. Studio 1 and CR Studio will use the front entrance. Studio 3 will use the main back door entrance. Students are to wait outside of the building rather than in the change room and hallways until just before their classes start - please arrive promptly and dress accordingly.
- *All students are required to sanitize or wash their hands upon entering the building.
- *Students and teachers 5 years and above are required to wear face masks or face shields when entering the building, changing classrooms or whenever social distancing may not be maintained, (unless a medical condition prevents you from doing so).
- *No passing on the stairways - please kindly wait for the person in front of you to fully enter or exit before you proceed.
- *Students are to arrive and leave classes promptly. Lingered before and after classes will not be permitted. Physical distancing must be maintained while entering and exiting the building and studios.
- *Always strive to arrive prepared and dressed for your classes.

During Class:

- *Social Distancing Markers on the floor to ensure students maintain social distancing.
- *No contact for both teachers and students, the exception being Acro where the teacher will wear a mask when spotting the students.
- *No use of props, partner work or hand holding.
- *Encouraging frequent hand washing and sanitizing throughout your time at the studio, particularly upon entering the studios and between each class.
- *Please limit what your child brings into the studios (small dance bag with water bottle and packed food only). The dancers will be encouraged to layer their dance attire as needed to avoid unnecessary use of the washrooms.
- *Use of masks is required for students aged 10 and above (unless a medical condition prevents you from doing so). Students aged 9 and below are encouraged to wear face coverings, however this will be the parent's discretion.
- *Students will be encouraged to maintain proper personal hygiene when it comes to wearing their masks. Students will be reminded to refrain from touching their masks and to replace them often. Masks are not be shared with others and cloth masks should be washed each day.
- *All acrobatics students are strongly encouraged to bring their own yoga mat to class.
- *Water bottles must be brought from home.

General Information:

- *Increased Sanitation of all surfaces, bathrooms, barres and floors will be taking place.
- *Sanitizing of high contact surfaces will be done by teachers and staff between classes.
- *Strict class size limits will be in place to allow teachers and students to adhere to social distancing.
- *Our common areas (change rooms & waiting area) will remain closed for now. Students will be encouraged to take their breaks within the studios. If your child's break is longer than 15 minutes, they will need to be picked up from the studio.
- *Walk-Ins will not be permitted, you must be a registered student that has filled out a registration form in order to attend classes.
- *Should your child begin to exhibit cold, flu or Covid 19 symptoms, you will be contacted and your child will need to be picked up in a timely manner.
- *If your child is exhibiting cold, flu or Covid 19 symptoms, we ask that you inform the office of their absence and keep them at home.
- *If you have tested positive, come in contact with someone who has, been instructed by public health to self isolate, or travelled outside of the country please stay home for 14 days.
